

## Extreme Makeover

Last Updated Thursday, 28 September 2006

Here are just a few examples of what can be done for my patients with dental implants... You can click on some of the photos to see the entire treatment...

Before

After

50+ Female. All upper teeth replaced with Implant prosthesis

50+ male with debilitated dentition and full implant reconstruction

18 year old female with congenitally missing lateral incisors replaced with dental implants and porcelain crowns

50+ male with debilitated dentition and full reconstruction

40+ Male with severe dental decay and lower implant reconstruction

40+ Female patient who was in an auto accident and treated by me and others Pro Bono

60+ Female who lost a single front tooth. Replaced with an implant and a ceramic crown

70 year old male with severely debilitated dentition and a complete implant reconstruction

60+ female with debilitated dentition and full reconstruction

60+ female with complete upper tooth loss and an implant reconstruction

This patient had some cosmetic dentistry that did not turn out well. No implants involved here. Click on the photos to see the entire treatment.
